Dear Jonathan:

Thank you for your invitation to become an endorsing organization of the Building on Hope program. The Board of Directors discussed Building on Hope at their last meeting and have agreed that AGC of NH should endorse this program. Building on Hope is a great way for those in the construction industry to be a part of building a better community. We are proud to endorse this program.

Please feel free to call me at (603) 225-2701 with any follow up information.

Sincerely,

Gary A. Abbott  
Executive Vice President
