

**Building on Hope**  
*Easter Seals NH White House Project*

**GIFT/PLEDGE FORM**

Building on Hope, a community partnership project, is working to renovate the White House Intensive Treatment Residential Facility, an Easter Seals New Hampshire facility located at 9 Mammoth Road, Manchester, NH. This two-story building is home to five boys who, for any number of reasons, cannot live with their families. Many residents here have behavioral problems, learning disabilities and other setbacks. Most have experienced severely traumatic life experiences along the way, but they come to the White House because they are working through those problems. To those that come here, the White House represents the possibility of hope and success.

To make a donation please **Print** this form and **Mail** to:  
555 Auburn Street  
Attn: Development Dept.  
Manchester, NH 03103
